

Resource 1.6

Learning Log Booklet

Name:.....

Date:.....

Write about something new you learnt in this unit.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

How did you feel about the activities you undertook?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

What might you do differently if you were to do this again?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

How have your feelings and behaviour changed as a result of your learning?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

How well did you participate in any group/team learning activities?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

How can you make similar changes and improvements in other sustainability areas?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

What questions do you have about the topic at the moment?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Write about other areas of difficulty that the community has to deal with regarding a changing climate. The following chart might be useful.

Difficulty	Problem	Solution
Drought	Less water to irrigate plants	Use plants that rely on less water
Mosquitoes		
Salinity		
Floods		

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....
